To whom it may concern:

You have a student that is a member of Pariah. Pariah was originally formed in 1998 and consists of 30 musicians throughout north Georgia. These musicians are dedicated to performing at a highly competitive level of Winter Guard International. Our goal is to provide individual development and exposure to the best musicians in the world as well as play in front of the top adjudicators in the world. In addition to musical education, Pariah also develops confidence, responsibility, self-esteem, leadership skills.

Pariah performs in high quality, competitive tournaments throughout the United States. Occasionally this causes us to travel during the school week. This year we will need to travel on the following days:

Thursday, April 17<sup>th</sup>

And

Friday, April 18<sup>th</sup>

We are asking that you excuse our member from these absences from school. All missed assignments will be made up by the student.
